

Nu

Nu will add character to office spaces and also to the hotel foyer. The collection includes two versions: low has the option of a four-star base, a round flat base, four leg frame and wire frame and high version with hood has two options: a four-star base or a round flat base. By this solution the designer wanted to give the user the ability to have a quiet conversation or time alone with his thoughts or a book. The Nu family can be complemented by coffee tables with a glass top.

DIMENSIONS

FINISHES

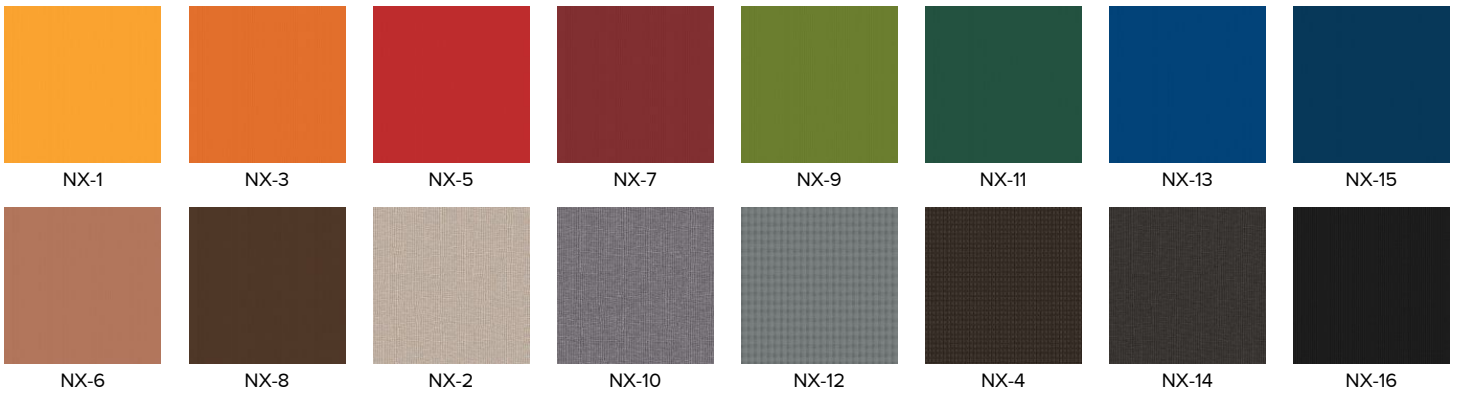

Evo

Martindale: 150,000
Fire Rating: EN1021 Parts 1&2
Weight: 300g/m2
